POOL AND SPA FILTERS

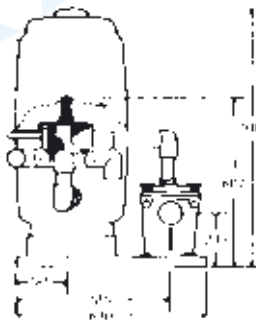

Diatomaceous Earth Filters

Features:

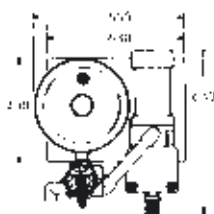

- Titan XL Range filter tanks are injection-moulded in new "Engineering Polymer". The most advanced material for this application enabling POOLRITE to give an extended 10-Year Warranty on filter tanks.
- POOLRITE'S exclusive square "Candlestick" septum construction covered with "Rapid Flow" tubular terylene material provides extra-long filter cycles and efficient backwashing.
- The complete new design "Multifunction" control valve is extremely easy to operate and is totally maintenance-free.
- The inbuilt sight glass gives positive indication when backwashing is completed – eliminates guess work and waste of pool water.
- All systems are fitted with the proven high performance POOLRITE PUMPS – featuring corrosion-resistant design.
- Fully warranted for use with POOLRITE SUPERCHLOR Automatic Saline Chlorinator and other approved brands.
- Australian design and manufacture is your guarantee of continued after-sales back-up.
